River Lot Development Gets Further Airing

Mr. W. N. McKay, representing Alcan developers met with town council Monday night and indicated that his client was getting "very anxious" about delays in getting development approval for their property forming part of River Lots 47 and 48 between Sturgeon Road, and the river, opposite the Beacon, Brentwood Crescents. A public hearing on rezoning a portion of the proposed subdivision from Residential comprehensive to Residential Single Family and Park was held Sept. 4 and reconvened Nov. 29.

Alcan have agreed to dedicate seven acres as no-cost park and wish to develop 10 acres as 41 single family units.

Noting that the residents had indicated by a petition with 300 signatures that they wanted 17 acres of park, Mr. McKay pointed out that "of these 300, only 28 saw fit to attend the public meeting on the matter."

He said also that Alcan had made three compromises to meet recommendations of the Edmonton Regional Planning Commission and town council, as to how far the development should go toward the river. "Yet we have had eight or nine months delay - six months beyond our meeting the E.R.P.C. conditions." The sewer outfall right of way was conceded after much discussion as well. Then the plan was re-drawn to meet the outfall requirement and all conditions of council. My client will not wait till October, 1974, he said, realizing that council was experiencing difficulty in an election year."

W. D. (Bill) Isbister, Deputy Minister of the Provincial Department of Municipal Affairs, turns the first sod for the Calahoo Arena in a ceremony held Saturday afternoon at Calahoo, while Bernie Ross, left, Stan Walker and Edmond (Moe) Berube of the West Sturgeon Agricultural Society look on with satisfaction. Other guests included Mr. Jack Fleming, Chief Municipal Inspector with the Department, and MLA Ernie Jamison. The arena is going up north of the ball diamond on Calahoo Sports Ground. The Agricultural Society entertained visitors and guests at a reception in the Gazebo, following the ceremony.

Kinsmen Sign location undecided after two tie votes

Representatives of the Kinsmen Club of St. Albert, having provided a written submission beforehand, met with Town Council at their Committee of the Whole meeting December 3 to discuss the club's plan for a new project, since the Kinsmen have now made final payment on the artificial ice plant in the Arena. Bill Hite, chairman of the Community Service Committee of the Kinsmen Club, and Peter Davis, lands and property, acted as spokesman for the club.

Looking for a project which would fill a community need and present members with a meaningful challenge, the service committee has undertaken to present a program spanning the next two to three years, and have begun an examination of the recreational and cultural needs of the community.

While the Service Committee report and recommendations are not due until February, the committee felt they had a project which might qualify for provincial assistance through the RCMP centennial grants program, with a December deadline.

After a good deal of research and discussion with members of the committee, club members in general and other interested residents of the Town of St. Albert, the Kinsmen are of the opinion that it might be well to provide a community centre, similar to the Grandin Park Clubhouse, in the Braeside-Forest Lawn area. They visualize this centre as an aesthetically pleasing

Kinettes busy with hampers prepare for final rush

Phones have been ringing - drivers have been driving - space has been donated, and the Kinettes are now ready for the last big push with their Christmas Hamper project.

This year they are fortunate in being able to use the premises on Grandin Mall formerly Tompkins Hardware, and the girls will be working there every day next week.

Clemmie Savoie will pick up donations along with either a pick up or a delivery of cleaning for Grandin Cleaners, where a box is provided for contributions.

Two large donations have helped the Kinettes considerably, along with contributions from many local residents and business firms. The cost of turkeys alone this year will be about $650, for some 60 hampers needed. Local vegetable farms, Höles and Bussches donate potatoes, and Holes provide turnips also.

Part of the job of convener Linda Stewart and her committee of five is contacting the town and provincial welfare officers, local ministers and priests, public health nurses, social workers and school counsellors in order that no family in need will be forgotten, and also to see that only those who are in unfortunate circimstances will receive hampers.

This is the seventh consecutive year that the Kinettes have spearheaded the project, and they have learned with experience, so that the task of organizing is

Community Band Concert

The St. Albert Breakfast Lions Community Band will have an opportunity to wish residents of St. Albert and District a Merry Christmas when they perform a Christmas concert next Tuesday evening.

Along with the Father Jan Junior High School Band, the Lions Band will provide an evening of music commencing at 7:30 at Sir George Simpson School.

Performing that evening will be the Lions Senior Band conducted by Mr. James Humphries, who is in his first term as band director. Also appearing will be the Lions Junior Band which joins forces with the Father Jan School Band, led by Mr. Peter Holt.

A highlight of the evening will be the Lions Oompah Band which will perform several German "Beer-Barrell" hits.

So, for an evening of music, don't forget Tuesday night at 7:30, Sir George Simpson School. There is no admission charge.

Petty Thieves Beware!

A number of local residents who have had Christmas decorations stolen from their premises in various areas around the town are getting increasingly angry and have enlisted the aid of the RCMP detachment in rounding up the thieves. In addition neighbors have approached and all residents are asked to keep an eye out on their street for such thefts and immediately report any suspicious-looking actions. This type of combined action proved effective earlier this year and the police were able to round up two different rings of young offenders who were breaking into homes and stealing various articles.

R.C.M.P. Staging Ball

The St. Albert detachment of the Royal Canadian Mounted Police will close off the Centennial year of the force and welcome in the 100th Anniversary of its arrival in Alberta in grand style Friday evening, with an RCMP Centennial Ball, to be held at St. Albert Inn.

The strictly formal affair will begin with a banquet, when special head table guests will be Superintendent B. E. (Bud) Harrison, Administrator and Personnel Officer of K Division and Mrs. Harrison, the Hon. Marcel Lambert, M.P. and Mrs. Lambert, the Hon. Gordon Miniely, Provincial Treasurer, and Mrs. Miniely, Mr. Ernie Jamison, MLA and Mrs. Jamison, and Mayor Ray Gibbon and Mrs. Gibbon. Mr. Miniely will be guest speaker at the banquet, and Sgt. Vern Rheault will be host for the detachment and master of ceremonies.

About 120 couples are expected, with only a few tickets still available, and the Sophisticated Swing will be on the bandstand, when the Ball commences about nine o'clock.

St. Albert Kinttes began work Monday in the former Tompkins Hardware premises on Grandin Mall on what will be a mammoth sorting, wrapping and packing job of their annual Christmas Hamper project. Evelyn Mitten, left, Linda Stewart, co-ordinator, Clara Matear, Donna Lauder, Lynn Calkins and Nomy Hite were on the 11 a.m. shift.

HON. GORDON MINIELY
PROVINCIAL TREASURER

Council

COSTLY PARK - McKAY

Mr. McKay also wondered if town residents understood the real cost of zoning the whole 17 acres for park.

"On top of the land cost of $210,000 there is involved a yield of $30,000 assessment annually to be considered, if there is no development on the 10 acres," he said, "although admittedly there would be some servicing costs."

"There is unused vacant land around Lorne Akins School, also," he observed. In conclusion Mr. McKay asked, "now that we face a questionnaire in January, must we wait till the October election for a plebiscite - 1 1/2 years after this application for development came forth?"

(The questionnaire is to be circulated to council as soon as possible with regard to the levying of one mill for the acquisition of parkland).

Coun. Bakker said he had requested the questionnaire at census time to expedite the matter - "and it won't have to wait till October." "After the questionnaire is in, council can decide how to finance parks - and how further development can be carried out. We can get an answer back to you about the end of January."

Stating that there were 13 lots in the subdivided area that will be difficult to develop, the mayor asked if these might be negotiable. "Looking at the going price, the lots are worth about $165,000," said Mr. McKay. It is possible we are not at a total impasse yet."

"You are entitled to a decision in February," said Coun. Bakker. Mayor Gibbon noted that the recommendation to council, from Dec. 3 committee meeting, on the questionnaire, had not been approved by motion.

Coun. Lukay asked Mr. McKay why he felt council had given some assurance that his client's development could proceed. "During the summer meetings, there seemed to be an agreement reached," said Mr. McKay.

"I think that is correct," said Coun. Bakker. The design was changed - it does comply - park land has been donated as required. The question is if the town should acquire additional land for park - the questionnaire will help."

Coun. Lukay felt public hearings are part of the regular proceedings - "and the public can be brought in even if certain things have been done."

"I bear you no anamosity," said Coun. Hudson, "and I appreciate the position you are in, trying to give us the dickens. But regarding the public viewpoint it is our duty to listen to them. And as for the sewer outfall - that was essential to further development - not really a concession."

Coun. Throndson thought Mr. McKay had the right to put up a strong case, asking council to get on with the show.

The motion of Coun. Bakker to re-schedule a public hearing for the Feb. 11th meeting of council carried 6-0.

Coun. de Bruijn did not join the meeting until 9:45.

structure and a functional meeting place for groups of varying sizes. Such community centres provide a much needed service, bringing together residents both young and old, on the neighborhood level, which the Kinsmen felt was an important attribute of this type of facility.

Council approved the proposal in principle and the Town agreed to participate with the Kinsmen in the RCMP Centennial project, and will apply for the maximum Centennial grant of $20,000 to be turned over to the club. The Kinsmen have also applied for a grant in the same amount, and both applications are eligible under the criteria of the funding by the province under the centennial grant program.

They told council that it would be their intent additionally to encourage and participate in the construction of these units in other areas of our town, given the opportunity in the future.

The structure would provide, on the ground level, some 2,000 square feet of meeting room space, kitchen and washroom facilities, and a full sized basement would be completed to the extend of available funds.

Total cost of the building and furnishings would not exceed $60,000, initially and the maximum grant available ($20,000.00) from the Centennial Committee would be applied for. The balance would be the responsibility of the Kinsmen Club of St. Albert with some financial assistance coming hopefully from the Town.

Construction would commence in late spring, for completion in the fall of 1974.

The Kinsmen submission asked that council give consideration to assisting in three ways: Provide assurance that appropriate land is available; give indication as to whether or not they might expect any financial assistance whatsoever from the Town; and be prenared to take title to the facility upon completion, and to assume responsibility for its maintenance and use.

The submission recommended an area such as the parkland lying adjacent to the Lorne Akin School property, and stated that the Club would be interested in assuming the responsibility for the total development of such a park area.

Council considered four tenders received on advertising 44 Balmoral Drive at their Dec. 10th meeting. They ranged from $5,500 - $6,500 - $6,510 and $6,550. The high bid was from Bonuccelli Masonry and Construction Ltd. and Councillor Hudson, noting this was the only bid making no mention of offsite costs, asked if the cost were specifically referred to in the ad. "Yes" said Mr. Bowen.

I believe the offsite costs are $198.00 noted Mayor Gibbon referring to the timing of the increase in costs by the town. Coun. Throndson said he thought they are $550. - as did Coun. Lukay. "I told anyone who enquired $550.00," said Secretary-Treasurer Bowen. Coun. Lukay's motion to accept the Bonuccelli bid carried 6-0.

Following considerable discussion on location and style of an entrance sign for the Lacombe area, Coun. Throndson's motion to place the sign on the highway was lost 3-3, with Councillors Fyfe, Lukay and Bakker opposed.

B.A.C.M. representative said his firm planned a sign intended as an 'entrance-to-the-area' feature - to be seen both ways from the highway - high enough not to interfere with traffic. Of precast construction it would cost over $4,000.

Staff recommended the sign be placed in the centre median of McKenney Avenue, near Dawson Road.

Coun. Bakker felt the B.A.C.M. suggestion to locate parallel to McKenney was better. "Nobody can see it up on the hill - that's not the answer." But he was insistent that the sign include an arrow pointing to Lacombe Park.

"Our aim is to do away with a proliferation of signs" said Coun. Lukay. "Here we look at something different," said Coun. Hudson. "If every developer put up a good sign for each major area, it would be an asset." Locate the sign at the highway to get people using the road we want them to take - McKenney Ave.!"

"With colour coded arrow" said Coun. Bakker. "I will oppose," said Coun. Fyfe - "that is not the entrance." Coun. Hudson asked "Then what is?" "Dawson Road" said Coun. Fyfe. Coun Lukay was opposed on two counts - "It will not guide people to Lacombe Park, and if someone drives into it we might not be absolved of responsibility."

Coun. Fyfe then moved the staff recommendation that the sign go on Dawson and McKenney. Motion lost 3-3 with Bakker, Lukay and Hudson opposed.

Kinettes

CONTINUED FROM PAGE 1.

somewhat easier. It still requires many hours, however.

School children and Sunday School ones are involved, through bringing white gifts-usually canned goods or toys - to help other children who have little. Some of the Girl Guides are assisting with the large job of sorting goods and wrapping gifts.

The hampers will be packed on Friday, December 21 and all the Kinsmen and Kinettes will be involved in delivering them on the Sunday.

HELP WANTED

The Town of St. Albert requires Enumerators for the purpose of taking the 1974 Census.

Remuneration - $70.00.

Application forms may be obtained at the Town Hall and should be completed and returned to the undersigned no later than January 3, 1974.

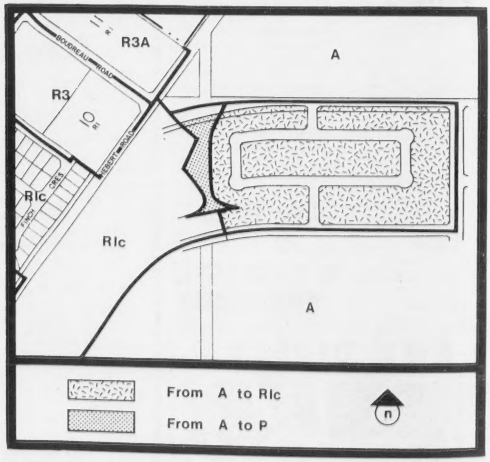

R. B. Bowen,
Secretary-Treasurer.

Town of St. Albert

NOTICE OF PUBLIC HEARING

The Council of the Town of St. Albert, having been given authority under Section 119 of the Planning Act 1970 R.S.A. as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone the S.E. 3-54-25-W4 as shown on the attached map from Agricultural (A) to Residential Single Family (R1c) and Park (P).

The proposed Bylaw No. 48/73 may be examined between the hours of 9:00 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Clubhouse on the 14th day of January, 1974 at 7:35 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 8th day of January, 1974. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

R. B. Bowen,
Secretary-Treasurer.

Getty Tables Energy Statement

The Honourable Donald R. Getty tabled today in the Alberta Legislature a detailed statement on the Government's proposed Alberta Energy Company. The stated purpose of the Company is to "provide Albertans with opportunities for equity investments in Alberta's energy resources." The Government intends to introduce, during the 1974 Session of the Legislature, an "Alberta Energy Company Bill" which would provide enabling legislation for the Government's participation. The basic outline of the Alberta Energy Company was announced by Premier Peter Lougheed on September 18, but today's position paper added several new details.

Unlike Alberta Gas Trunk, which began under Alberta investor control, but ended up under outside control when Albertans sold their shares for profit, the new energy company will always be Alberta-controlled through the Government's purchase of 50 per cent of shares issued.

Balance of the shares will be offered to "every man, woman and child in Alberta" on a priority basis, and afterwards to "other Canadians." Ownership of voting shares will be restricted to Canadian citizens or residents of Canada. The size of the initial offering is expected to be about $150,000,000, of which the Alberta and Canadian public will be offered half, or $75,000,000 and the Alberta Government will put up cash for the other half. An installment purchase plan will be offered to "provide an opportunity for all Albertans, and particularly first-time investors, to buy their full allotment." Total share holdings of any one investor, outside of the Government, will be limited to one percent of the shares issued.

An interim board of directors will be replaced by "qualified Canadians" and Mr. Getty stressed the importance of final choices for the management team.

Initially, the Alberta Energy Company will participate in the Syncrude project by holding an 80 per cent interest in pipelines from the oil sands to Edmonton; by holding a 50 per cent interest in the related power facility, and finally by holding an option to acquire up to 20 per cent of the Syncrude plant after construction is done, and costs are known.

The Suffield Block gas reserves, containing something more than four trillion cubic feet of natural gas, will also be part of the Energy Company's holdings, Mr. Getty pointed out that the Suffield Block reserves might well be allocated to help ensure lower cost natural gas to Albertans

The Energy Company also proposes to invest in a further development which was announced today. This is the newly-created Pan-Alberta Gas Ltd., a company currently a subsidiary of Alberta Gas Trunk Line, which will be active in the development of natural resources.

Albertans will have a chance to become investors in the Alberta Energy Company sometime in 1974.

Small business fights back

A major battle is shaping up over the government's recent decision to increase premiums for the Unemployment Insurance Commission says Donald Rumball in The Financial Post. The 40 per cent jump in this "payroll tax" has enraged businessmen across the country. The unrest has prompted John Bulloch, president, Canadian Federation of Independent Business and the leader of the steamroller lobby of small business against the tax reform bill in 1970, to inititiate his second campaign against the government. "We have been inundated with calls from businessmen saying they will refuse to pay the tax. We recently completed a survey of our membership that showed the major concern of small business to be government spending. I am not advising civil disobedience of course, but we are mounting a major attack on the measure," Bulloch said. Bulloch is not confining his fire to the UIC. In a recent speech to an Ontario dairy farmers' convention, he advocated that the government scrap both the UIC and the Canadian Pension Plan. He claims that citizens now becoming eligible for their CPP pension are being unfairly subsidized by current taxpayers. Bulloch's organization has a lot more muscle than it did when the tax reform bill was first proposed. The Canadian Federation of Independent Business now has nearly 10,000 members; about 15 per cent are professional people but the rest are businessmen. He has developed an efficient way of gathering information about the concerns of small business and this has given him some clout in Ottawa.

Town of St. Albert

BYLAW NO. 45/73
TOWN OF ST. ALBERT

A Bylaw of the Town of St. Albert to regulate the use of motor vehicles and off-highway vehicles.

NOW THEREFORE the Council of the Town of St. Albert in Council duly assembled hereby enacts as follows:

1. THAT designated area means an area which the Council of the Town of St. Albert has approved by a Resolution of Council for the use of off-highway vehicles or motor vehicles.

2. THAT highway means highway as defined by The Highway Traffic Act, Cap. 169, Revised Statutes of Alberta, 1970 and amendments thereto.

3. THAT motor vehicle means motor vehicle as defined by The Highway Traffic Act, Cap. 169, Revised Statutes of Alberta, 1970 and amendments thereto.

4. THAT off-highway vehicle means off-highway vehicle as defined by the Off-Highway Vehicle Act, Cap. 73, Statutes of Alberta, 1972, and amendments thereto.

5. THAT except as provided in Section 7, 8 and 9 herein, nothing in this bylaw shall be construed to alter the provisions of the Off-Highway Vehicle Act, 1972, Statutes of Alberta, Cap. 73 and amendments thereto.

6. THAT no person is authorized to operate an off-highway vehicle on a highway within the corporate boundaries of the Town of St. Albert except as provided in Sections 7, 8 and 9 herein.

7. THAT a person is authorized to operate an off-highway vehicle on a highway within the corporate boundaries of the Town of St. Albert solely for the purpose of loading or unloading of an off-highway vehicle from or onto a trailer.

8. THAT a person is authorized to operate an off-highway vehicle within a designated area.

9. THAT peace officers, agents or employees of any school board or the Town of St. Albert are authorized to operate off-highway vehicles on any highway within the corporate boundaries of the Town of St. Albert while in the performance of their official duties.

10. THAT no person is authorized to operate or shall be in care and control of either an off-highway vehicle or a motor vehicle on any land other than a highway within the corporate boundaries of the Town of St. Albert or on the frozen surface of the Sturgeon River within the corporate boundaries of the Town of St. Albert except as provided in Section 12, 13 and 14 herein.

11. THAT the provisions of Section 10 of this bylaw shall not apply to a person operating or having care and control of a motor vehicle or an off-highway vehicle within a designated area.

12. THAT a person is authorized to operate or have care and control of an off-highway vehicle on lands other than a highway within the corporate boundaries of the Town of St. Albert solely for the purpose of loading or unloading of an off-highway vehicle from or onto a trailer.

13. THAT peace officers, agents or employees of any school board or the Town of St. Albert are authorized to operate or have care and control of an off-highway motor vehicle on lands other than a highway while in performance of their official duties.

14. THAT any person violating any of the provisions of the within bylaw shall be guilty of an offense and liable on summary conviction:

 (a) For a first offense to a fine of not less than Fifty ($50.00) Dollars and not more than Two Hundred and Fifty ($250.00) Dollars and in default of payment to imprisonment for a term of not more than thirty (30) days, and
 (b) For a second or subsequent offense to a fine of not less than One Hundred and Fifty ($150.00) Dollars and in default of payment to imprisonment for a period of not more than sixty (60) days.

15. THAT Bylaws No. 57/69, 3/70, 37/70 and 7/73 are hereby rescinded.

16. THIS Bylaw shall take effect on the final passing thereof.

READ for a first time this 5th day of Nov., A.D. 1973.
READ for a second time this 13the day of Nov. A.D. 1973
READ for a third and final time this 13th day of November, A.D. 1973.

R. M. Gibbon, Mayor.
R. B. Bowen, Secretary-Treasurer

LETTERS to the Editor

by-law 'ultra vires'

The Editor:

Congratulations to Mr. Perrot, for his well worded article (Reader Comment, last week's "Gazette"), on St. Alberts new Off-highway Vehicle Bylaw, or more properly new Off-highway and Highway Traffic "Act."

My telephone call to RCMP confirmed that St. Albert property owners have lost the right to operate any off-highway vehicle on their property. By definition off-highway vehicles include (defined under the Provincial Off-highway Vehicle Act):- All vehicles designed for off-highway travel excepting implements of husbandry, and includes four-wheel-drive vehicles, motorcycles, mini-bikes, snow-mobiles, and all-terrain vehicles.

Whether or not residential self-propelled lawnmowers and snow-blowers fall into the category of "Implements" is another good question for Courts to decide, since this definition is very vague. Since motorcycles and four-wheel drives are included under the definition their operation is henceforth prohibited on St. Albert Highways, whether provincially licensed or not, under the new St. Albert "Legislation." Furthermore "all motor vehicles" are banned from being driven on land other than highways under Section 10 of The St. Albert Bylaw.

With all due respect to Councillors who objected against this "Act" the majority of the St. Albert Council obviously exceeded their powers of jurisdiction, and their elector's trust and rational of intellect all at the same time, while severely infringing upon personal freedoms of property owners to go about their business and recreational activities on their own property.

While the provincial Off-Highway Vehicle Act permits Municipal Governments to ALLOW off-highway vehicle operation in areas under their jurisdiction and restricted by the Provincial Act, that Act has no provisions whatsoever to permit Municipal Bodies to further RESTRICT such vehicle operation from restrictions under the provincial Act, as set out under Section 22 (c) of same.

The St. Albert "Bylaw" is therefore "ultra vires," which of course did not deter some of our determined Councillors to vote for it anyways, as once passed, electors will have to fight it through higher Courts at their own expense, if they wish to contest it.

In the meantime our provincial Government is apparently standing idly by, while still another authority is taking on provincial powers. Already the Federal Government is collecting our export oil taxes, and Municipal Districts pass their own Crown Land Access and Hunting Regulations. Now, St. Albert passed their own Off-highway Vehicle and Highway Traffic Act, a Human-NON-Rights Act for property owners as well. Soon our MLAs will have nothing else to declare but their own resignations, unless they can come up with a declaration making "local Legislative Nonsense" invalid before citizens have to fight it to Supreme Court.

Such a declaration should be made before our St. Albert Council decides to take on the right to legislate "what their electors can do in the nation's bedrooms," obviously their next possible step unless certain Councillors responsible for this mess have enough intellect to rescind this Bylaw or to resign from office.

A. K. Zimmer,
Seymore Cres.

protect public

The Editor:

In the Gazette of Dec. 5, 1973, Mr. Arthur Perrott of Glenhaven Cres. made comment on the snowmobile bylaw recently enacted by the Town of St. Albert. I feel that Mr. Perrott has not been completely factual in some of his statements, or perhaps he has let emotion enter into a highly contentious subject.

At the Safety Council meeting to which Mr. Perrott refers he was accompanied by Dr. E. Thomas so that we could be made fully aware of the problems facing the snowmobile population, and further to this, so that we could work together to ensure safe operation of the machines. Dr. Thomas was invited to attend all Safety Council meetings and was made aware of the times and dates of these meetings. At the same time the writer was invited to attend meetings of the Snowmobile Association, however there were apparently no further meetings, or, at any rate, we were not advised of any. Mr. Perrott states that the writer moralized for one hour on the subject of license plates. There was discussion regarding license plates, primarily with respect to operators who insist on defying provincial laws with respect to this, and insurance.

It was stated that persons who had no regard for regulations could hardly be expected to operate their equipment in a safe manner and with due concern for the public. This phase of the operation was only one of many things discussed at the meeting.

As to the Town giving the Association a chance to govern themselves, it becomes a case of the majority suffering for the antics of a few. There are documented cases of operators running through parks, on school grounds, on hills where children are sleigh riding, over other peoples property, damaging trees, signs and fences, or towing toboggans at the end of a rope at high speed on the river or in one case towing a man in a tire on the end of a rope and driving in a zig zag manner through the skaters on the river. I am sure that the Association made a real effort to curb these people, however the provincial Off Highway Vehicle Act does not give the municipality the opportunity to initiate the regulations necessary to ensure that all operators are competant, nor was the Association in any position to guarantee that all operators in our area would become members.

Mr. Perrott states that persons owning land within the corporate limits of the town can not operate any vehicle (off Highway) on their property. This is not true as the Off Highway Vehicle Act makes no attempt to govern such operation, in fact no license or insurance is required for any vehicle operating solely within the boundaries of private property with the owners consent.

There may be fault with the Act as written, however, it was designed to protect you the public from irresponsible operators and from parents who, for instance, permit their children to ride trail bikes in parks, through spectators watching a soccer game or even down the field while kids are playing a game

The fines for first offence ($50.), and second offense ($150.) are not comparable to the fines indicated in the Act for the simple reason that circumstances are not similar. It was expected that one or more irresponsible types might run the river or operate in other prohibited areas and since it is agreed that the peace officers' lot is not an easy one, it was hoped that a tough fine might discourage such operators, but this apprently has not been successful.

Finally, Mr. Perrott indicates that this was a political decision. I believe that most people will recognize that it was not, as Town Council appointed the Snowmobile Advisory Committee to get the subject away from the political arena so that a very objective look would be made of all the problems inherent with snowmobile and other Off Highway vehicles.

Provision has been made in the bylaw for Town Council to designate areas within the corporate limits of the town where the operation of such vehicles may be permitted. This permission can be obtained by application to council, however it should be understood that the safety and good order of the town and its citizens must come before the wishes of a relative minority.

Elsewhere in this paper it is hoped that a verbation copy of the bylaw will be available for your consideration.

Gordon H. Goodman,
Chairman,
St. Albert Safety Council,
Chairman,
Snowmobile Advisory Committee.

Appreciation

The Editor:

There are so many individuals in St. Albert who are worthy of the title "Citizen of the Year" that it must be a near impossible task to choose just one.

We have simplified it considerably by selecting two groups in St. Albert for our own special thanks and appreciation. Orchids to:

First - those roaring Lions. Thanks to these people many handicapped children are able to be out of bed and out of doors for the first time in their lives, resulting from the Lions' donation of wheel chairs and equipment to the Cormack Hospital for multiple handicapped children.

Second - the beautiful ladies in gold and purple, the Kinettes. This year they have found time, money and effort to add these same children to their Toy list. There are 40 odd children housed in the hospital with no relatives to see to their needs. This year Santa will find them all.

Orchids also to the many friends who have contributed clothes and toys for some of these children.

Best wishes to all of you for the best in 1974.

Marg. and Dave Davis.

Study Suggests Community Use Of Buses

A study paper on pupil transportation released last week by the Department of Education recommends that school boards be permitted to enter agreements for community use of school buses, and that further examination be made of development of regional bus systems to serve adjacent school districts for both transportation and maintenance services.

Other highlights included suggestions that school systems employ bus supervisors, that school boards claim grants only for residents of their systems, (or where agreements have been reached with adjoining systems), to eliminate "raiding" of students, and a number of recommendations to upgrade safety.

Copies of the study paper are being widely distributed to the persons and organizations directly concerned.

Reactions and constructive comments should be directed to Mr. Nick Chamchuk, Director of the Communications Branch, Department of Education, Edmonton.

"Final recommendations are to be developed early in 1974 for implementation in 1974 and 1975," Mr. Hyndman said. "We hope to receive helpful reactions, especially from school trustees, to this useful and in-depth report."

Busy hands preparing for the Christmas season. Gals of the Sturgeon General Hospital Auxiliary meet every second Wednesday to make various handicrafts to be sold at the hospital gift shop. Judy Gilbert is at left, with Helen Young, Laura Savoie and Lois Fabi.

See Amputee Skiing on CTV

Jerry Neumann, coach and director of the Alberta Amputee Ski Association, will be seen on CTV's "Sport Beat 73" on Wednesday, Dec. 19. Jerry has his office in the Percy Page Centre here in St. Albert and will be known by some local residents.

It is interesting to note that the Alberta Amputee Ski Association was begun only two years ago and has made fantastic accomplishments since then. This Association has taken part in Ski Meets in the United States and has returned to Alberta with five firsts.

Jerry and his group are now preparing for the World Championships in France in March 1974, and they are actively raising funds to finance this trip. The Alberta Government provides assistance to this group through the Department of Culture, Youth and Recreation, and donations have been received from other areas, as well as the O'Keefe Sports Foundation.

The CTV program will show not only amputee skiing, but also includes film on polio victims. This type of activity has aided greatly in the rehabilitation of disabled persons in Alberta.

The proposed Bylaw No. 50/73 may be examined between the hours of 9:00 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Clubhouse on the 14th day of January, 1974 at 8:15 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 8th day of January, 1974. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

R. B. Bowen,
Secretary-Treasurer.

Town of St. Albert

Family from Africa will celebrate different Christmas

Mr. and Mrs. M. Kalla, of 43 Gainsborough Avenue will be experiencing a very different Christmas this year. Shameen and Moiez Kalla arrived in St. Albert eight months ago from Tanzania, East Africa. Mr. Kalla is from Dar es Salaam and Mrs. Kalla is from the town of Arushah close by Africa's most famous mountain, Mount Kilimanjaro. Arushah is a very lush and beautiful town on the edge of the huge game reserve, the Tsavo National Park.

The most prominent difference between an East African Christmas and a Canadian one is, of course the weather. December is the height of summer in that part of the world. Christmas is also less commercialized than in Canada.

Although Mr. and Mrs. Kalla are Ismaili Moslems and they celebrate the last day of Ramadan and the Aga Khan's birthday, they also celebrated the African Christmas with their African friends and neighbors of the Christian faith.

A typical celebration includes the slaughtering of a cow or sheep instead of our traditional turkey. The cow or sheep is roasted over an open fire and served with currie and cornmeal. After the feast, traditional African dances begin to the rythmic beat of drums.

Mr. and Mrs. Kalla have had the opportunity to travel quite extensively as they both worked for the Sabena airline company. While employed with Sabena, Mr. Kalla won awards three years in a row for being the top salesman.

Welcome Wagon To Lose June

June Leggett, senior Welcome Wagon hostess for the past five years is retiring on December 31. Over the years, June has made many friends among the residents of St. Albert. When June first started with Welcome Wagon the number of calls on new residents averaged around 25 a month. As the town grew, so did the Welcome Wagon organization, and it now boasts four hostesses making approximately 100 calls a month.

A new service will be started in the new year which June helped to introduce. Connie Trempener, who will be in charge of the service, will visit all mothers with new babies. We are sure this service will be as popular with St. Albert residents as Welcome Wagon has always been, said Mrs. Leggett.

June would like to thank all of the sponsors of Welcome Wagon for participating during the past five years and she hopes they will continue to use the fine service that Welcome Wagon performs.

Barons Hand Comets First Loss Of Season

Jasper Auto Parts Comets suffered their first loss in 10 Edmonton Central Hockey League games Sunday night as Sherwood Park Barons skated home with a 5-2 third-period win.

Prior to their first loss Comets had a close 4-3 win over Winterburn Tomahawks last Wednesday and won by default Friday when CFB Namao failed to show for a game in St. Albert. Comets management wish to apologize for any inconvenience that may have been caused. They were notified only 30 minutes before game time by CFB.

Wednesday in Enoch Recreation Centre, Winterburn gave the Comets a scare with a 3-0 lead going into the final period. Doug Bell with Gary Checknita assisting scored Comets first goal.

Rich Perrault, playing his best hockey in two years, made it 3-2 with an unassisted goal less than a minute later to put the Comets back in the game. Swedish junior star Hans Gors tied the game at 6:46 on a pass from Harvey Kirkland and Perry Pearn scored the winner at 16:16. Comets outshot Winterburn 46-13 with goalie Neil Bowen performing miracles in the Tomahawk net.

RANDY CLARKE

Winner against Winterburn

Sunday in St. Albert the Comets were brought down to earth as the Barons took advantage of some bad St. Albert penalties and excellent goaltending from Lionel Jones. Barons scored four power play markers including three in the third period to break open a 2-2 tie.

Fred McKenzie opened the scoring for Sherwood Park with a power play goal at 3:27 of the first period while Terry Stewart was sitting out a elbowing call.

Randy Clarke tied the score with a screened shot with only 40 seconds left in the period. Harvey Kirkland and Paul St. Cyr set up the play. Stewart went off again for charging at the 30 second mark of the second period and Bob McGill slipped a shot past Zane Jakubec 19 seconds later for a 2-1 lead. Clarke tied the game two minutes later with St. Cyr and Gary Leskow drawing assists.

Barons took advantage of two Comet penalties to Doug Bell and Leskow as they popped in a pair with only four minutes of the game in the final period. Leskow was off again for the final Baron goal midway through the period. Leskow also received a misconduct and game misconduct.

Comets will be at home Sunday for a game against Leduc at 7:30 p.m. Tuesday, Stony Plain will be here with game time at 7:30.

Bruins Split Pair In Opening Round

St. Albert's junior hockey club split a pair of Capital Junior Hockey League games over the weekend to maintain second place in league standings.

Saturday night in Leduc Perry Whan picked up a hat trick as the Bruins scored a well deserved 11-4 win over fifth place Riggers. Bruins scored five first period goals with Whan and Blair Burgess scoring a pair each. Mike O'Neil added the other.

St. Albert added three more in the second as Whan, Kelly McAvoy and Don Boyce blinked the light behind Rigger goalie Allan Hayduk. Perry Whan completed his three-goal hat trick in the final 20 minutes and Jim McComb added the other two. Riggers scored two in the first and one each in the last two periods. Bruin goalie Terry Wilson played a strong game between the pipes.

Sunday in Sherwood Park the Knights padded their first place lead over the Bruins with a 5-2 win in a penalty-filled game. Knights took 18 of 30 infractions. Bruins fell behind 3-0 early in the second period before Bob Wallis scored an unassisted power play goal. Knights added two late third period markers for a 5-1 lead. Tim O'Neil with Wallis assisting scored the Bruin's final goal with 16 seconds left in the game.

Bruin's next home game will be this Friday when last-place Fort Saskatchewan Traders will be here for a game starting at 7:30 p.m.

Sunday the Bruins will play Waterloo Mercurys at Jasper Place Arena with game time at 2:30 p.m.

PERRY WHAN

(Hat trick in Leduc win)

Father Primeau of Morinville drops the first puck to officially open the Sturgeon Valley Senior Hockey League in Morinville last Sunday. Namao captain Adolph Yeske (left) and Morinville captain O'Neil Chevalier take the face-off. Namao took the game 7-3.

Sturgeon Hockey League Completes Opening Round

Opening games in the Sturgeon Valley Intermediate 'D' Hockey League saw Namao, Calahoo, Legal and Villeneuve come up with victories.

Father Primeau dropped the opening puck in Morinville, when the home town squad dropped a 7-3 decision to Namao, while Villeneuve held on for a close 4-3 win over Alexander Braves.

In Legal, the defending champions, Calahoo Scorpions shutout Gibbons 5-0 while Legal had an exciting 3-2 win over Bon Accord.

Defending league champs, Calahoo had a strong game in goal from veteran Gerald McGinn. Gary Atchison led the way with two goals while singles went to Jay McGeough, Elwood Trueman and Jacque Contant. Calahoo led 2-0 after the first and scored two more in the second. The game was cleanly played with Calahoo taking seven of 11 penalties.

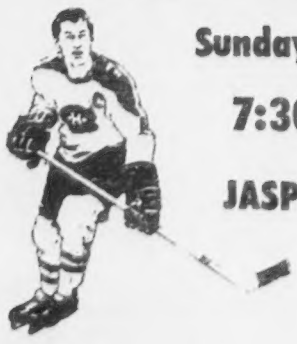

The game between Legal and Bon Accord had a few more whistles, as referees called a total of 18 penalties. Legal took 14 including nine in the third period. Legal took a 2-1 second period lead on two goals by Pat Isaac with Denis Limoges drawing assists on both markers. Red Pelletier scored the third Legal goal midway through the final period while killing off a penalty. Bob Letourneau played a strong game for Legal in goal as his team was shorthanded for almost the complete third period. Greg Wolansky and Don Bland scored for Bon Accord with Bland's goal coming with one minute left in the game.

In Morinville, Namao scored two first period goals and five more in the second for a 7-0 lead before Morinville finally found the range for three third period goals. Bob Crozier led Namao with two goals while Ron Brimmacombe, Norm Robbly, Ron Fitzkarek, Adolf Yeske and Len Crozier added singles. Morinville, losers to Calahoo in the league finals last year, got goals from Don Pruss, Mike Beshara, and George St. Laurent.

The Soetaert brothers scored all the goals for Villeneuve in their close win over Alexander. Ray with two and singles by Vic and Gerry gave Villeneuve a 4-1 lead going into the final 20 minutes. Alexander fought back but couldn't come up with tying markers as time ran out. Leroy Paul, Eugene Newborn and Ruper Arcand scored for the Braves. Goalie Robert Burnstick assisted on one of the Brave goals.

Members of the St. Albert High girls volleyball who made it to the semi-finals in Provincial competition. Standing (left to right) - Diane Stoutenberg (coach), Lorraine Gravelle, Shirley Vollmer, Bernice McGillis, Sarah Van Tighem, Darcie Brenneis. Kneeling, Sandy Willas, Cathy Medland, Jean McGillis, Sandra Hermanutz, Faye Brenneis.

Local girls win 3rd in volleyball event

For the third year in succession the senior girls volleyball team from St. Albert High has represented the North Central zone in the Provincial Volleyball tournament for "B" schools (under 750 population).

This past weekend the girls travelled to Medicine Hat to compete against teams from nine other zones in the province and they advanced to the semi-finals before losing out to Crescent Heights of Medicine Hat, the eventual winners of the competition.

The girls thus finished in third place in the overall competition and are to be congratulated on their performance.

In advancing to the provincial tournament the girls from St. Albert High won out over Fort Saskatchewan, Ardrossan, Archbishop Jordan and Concordia College in conference play. The following week they then won the zone against teams from Paul Kane, Athabasca and Edson and thus earned the right to represent North Central Zone at the provincial competition.

Fire Chiefs in lead after Barrhead win

St. Albert Fire Chiefs moved into first place in the bantam division of the Northern Alberta Minor Hockey League at the weekend, running their record to four wins and a loss with a 5-1 win over Barrhead.

It was Chiefs second straight win over Barrhead, the team which is expected to give them a run for the league title this season. The two teams will meet in St. Albert again Saturday night at 8.

Chiefs also played an exhibition game on the weekend, tying 6-6 in Red Deer.

Chiefs came out of the game with Barrhead with a 2-1 lead and increased it to 4-1 in the second. Although they only got one goal in the third, they were in full control in that period.

Graham Brown, Dave Shipanoff, Greg Brandenbarg Paul McCann and Larry Hubbs took care of the Chiefs' scoring. There were seven penalties in the game, Barrhead taking four.

Fourteen hours later Chiefs were on the ice in Red Deer and involved in a free-wheeling game with the most physical team they have met this year.

Chiefs came out of the first period in front 2-1 but in the second, Red Deer took a 4-2 lead in the first three minutes. It was 5-4 Red Deer entering the third. Chiefs tied it on the first shift and went ahead 6-5 at the 10:50 mark. Red Deer tied it 41 seconds later.

Brown scored three goals for Chiefs; Paul McCann got two and Ronnie Sander got the other.

There were only six penalties in the hard-hitting game, three to each team.

Juveniles hand Stony 12-1 thumping

Three goal performances by Scott Ballantine and Terry Kieser led St. Albert to a easy 12-1 thumping of Stony Plain Friday night in Stony.

Ballantine and Guy Hill scored first period goals for St. Albert and added five more in each of the last two periods. Kieser, Ballantine, Dave Grice, Matt Lister and Roger Meunier tallied in the second for a 7-0 lead. Ballantine with his third, opened scoring in the final 20 minutes followed by Mike Davids, Meunier and Kieser for a 11-0 lead before Stony finally got on the scoresheet on a shot from L. Wadell.

Davids and Kieser rounded out the scoring for St. Albert's fifth win in a row in the Northern Alberta Juvenile League.

St. Albert travels to Namac this Friday for a game at 9:30 p.m. and are at home Tuesday for a game against Morinville at 7:30.

Commercial Hockey League

Last Friday Belcourt Power Kegs came up with their first win of the year with a close 2-1 win over the Tankers in a St. Albert Mens Commercial League game. N. Schonhoffer and Charlie Gallagher scored for the Power Kegs while Ken Payne notched the only Tanker goal.

Thursday the K of C team scored a easy 11-4 win over the Kinsmen Warlords with Noel Meunier scoring a hat trick to lead the way.

Ed Rechlo picked up a pair for the winners while singles went to Paul Billodeau, Pete Van Brabant, Vic Soetaert, Al Alain, Rene Morrissette and B. Jubenville. Warlords got a pair of goals from Terry Moore and singles went to Art MacDonald and Bob Thorpe.

"Aren't you going to stay up and watch the New Year in?"

Two of the main reasons Legal won their opening game over Bon Accord (3-2) was the outstanding work in goal by Bob Letourneau and Pat Isaac's pair of goals.

REC. NEWS

SQUARE DANCING:

The St. Albert Saints and Sinners will hold their next regular dance on Saturday, December 15 in Sir Alexander Mackenzie School.

For information about the activities about our local square dance group please phone Mr. and Mrs. Terrault at 459-6896.

POWER SKATING:

Registrations for the next 10-week session of power skating (Jan. 15 - March 19, 197;) will be taken at the Arena on Saturday, Dec. 15 from 10 a.m. - 12 noon. Lessons last for half an hour and will be held between 3:45 and 5:45 p.m. on Tuesdays with practices on Thursdays between 6 and 7 p.m. Please note that helmets must be worn by all participants.

The cost is $7 per child plus a $1 family membership - unless a member of the family is already skating in the present session.

CROSS COUNTRY SKIING:

From the response to the notice in this column last week there appears to be considerable interest in cross country skiing.

A weekend course is being planned which will take place in St. Albert in January. It is intended as an introduction to this fast-growing activity and will consist of demonstrations of the different types of equipment and their care as well as instruction in the basic skiing techniques.

Please phone the Department of Recreation if interested in this short introductory course, details of which will be announced later when final arrangements are made about place, date, time and cost.

CHESS:

The last opportunity to play chess with the recently formed club before Christmas will be on Wednesday, Dec. 12. The club, which meets on Wednesdays at 8 p.m. in the Clubhouse (beside the swimming pool), will resume play in the New Year on January 9.

Pee Wee Lancers still undefeated

The Lancers skated to a 5-3 victory over Barrhead December 1 to remain on top of the Northern Alberta Peewee League.

Once again sensational goaltending by Barrhead highlighted the game, as Barrhead were out-shot 59 to 16. Todd Murray in the Lancers net also came up with the big saves when called upon.

The Lancers have been getting some great efforts from defencemen Terry Harkness, Bernie Joyal, Mitch White, Rollie Mowatt and Monty McNutt. They are by far the best in the league.

Lancers fans should be commended on the appreciation they showed both teams for their efforts. The peewees are starting to put it all together and are now showing a great team effort.

Point-getters Saturday were Bernie Joyal - one goal two assists; Troy Murray, Breen Neeser, Jim McDonald, one goal, one assist. Rollie Mowatt, one goal, Terry Harkness, Mitch White and Pat Poulin each contributed an assist. Lancers next home game is December 22 against Fort Saskatchewan.

"Damn it, Beeson! I wish you'd keep that confounded chuckling to yourself!"

Need a lot from a bank? TD can give you a great deal.

Look us over. And see how our Personal Service Plan gives you just about all the banking services you'll ever use for $2.50 a month. No matter how often you use them.

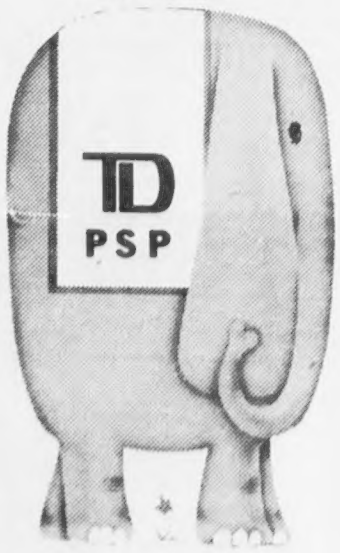

Instant Personal cheque cashing
Up to $100 at any TD branch in Canada.

Unlimited cheque writing
Write as many cheques as you like with no additional charges. And the Custom cheques are free.

TD Coverdraft: N.S.F. Cheque Protection
Relax. Your cheques are guaranteed up to the available credit limit of your TD Chargex card.

Reduced Interest on TD Cash-flow Loans
You get a preferred rate on most Personal Installment Loans.

Around Town

The St. Albert Help Society is still looking for women experienced in raising children and running a household to act as paid homemakers for families in need of temporary home care. Any mature women interested should telephone Mrs. Proctor at 459-5159.

** ** **

Jack Post of 24 Sunnyside Crescent was awarded a trip for two to Hawaii at the November 27 meeting of the John Deere Industrial Sales Organization, as the first salesman of the firm in Alberta to top the million dollar figure for one year's sales. The award was presented by Mr. Peter Pardee, manager. Mr. Post will be taking son Victor with him.

** ** **

A crowd of well over 200 enjoyed dining and dancing on Saturday night at the annual Welcome Wagon Newcomers Christmas dance. The meal, catered by Trio Catering, was delicious and helped to set the mood for a good evening. Merrymakers danced enthusiastically to the Sound Selection. One of the highlights of the evening was a presentation made to June Leggett. June is retiring as senior Welcome Wagon hostess after five years and, as a token of thanks, the Newcomers Club presented her with a beautiful floral arrangement and a very attractive clock.

** ** **

Grandin Park Cleaners, have discontinued use of the eight-pound coin cleaning units, because of a very sharp increase in solvent costs, a measure they were sorry to have to take.

** ** **

Irene Sollanych had the misfortune to break her wrist at a curling do held in Westlock recently for members and guests of Masonic Lodges. We understand Alex was busy writing Christmas Cards last week, in order to be ready to hit the baking this week.

** ** **

Peggy Hanneman was honored at a party on Thursday, Dec. 6 at the B.I. Recreation Centre. Peg and husband Karl are moving to Fort Saskatchewan. Peg has been a very active member in both Royal Canadian Legion, branch 271 and the Ladies Auxiliary of the same group. The gals of the group joined together in wishing Peg all happiness in her new home and presented her with an electric grille and a butane lighter. The Hannemans have been residents of St. Albert for 12 years and will be very much missed by their friends and neighbors.

** ** **

Mr. and Mrs. Frank Kelly of 15 Geneva Cres., will shortly be moving to Calgary, where Frank will take a new position with Gulf Oil. The Kelly's have been residents of St. Albert for 12 years.

** ** **

BIRTH ANNOUNCEMENT

Mr. and Mrs. Robert Schulz of Lister Crescent wish to announce the arrival of a baby boy, Jason Lee, born November 29 at 4:20 a.m., at Charles Camsell Hospital; a sister for two year old Cindy Leanne.

Carol Groves, Ways and Means chairman of the Certified Nursing Aides at Sturgeon General, holds the ticket box for Administrator Cliff Keyes to make the draw on a basket-styled table centre at the hospital cafeteria last Thursday afternoon, while Director of Nursing Pauline Fleck watches with interest. Proceeds of the project went to the Medical Library at the Hospital. The local group is a Chapter of the Alberta C.N.A.'s, with Mary Ellen Rajotte as President, and they meet monthly on the first Thursday. Winner of the table centre was Karl Nolt of Edmonton.

Kin Hockey aids cystic fibrosis

The Cystic Fibrosis research fund got a little boost in the bank account Sunday with Fibrosis Chairman Kelly Armstrong accepting a cheque for $46.75 from the St. Albert and Edmonton Kinsmen hockey club.

The exhibition game between the two Kinsmen Clubs was in aid of the Cystic Fibrosis research fund which is a provincial Kinsmen project this season.

St. Albert MLA Ernie Jamison dropped the first puck to get the game underway with the St. Albert Kinsmen winning 10-7. This is probably the first time St. Albert has beat Edmonton in a good many years.

Ed Rusnak, Danny Vars and Norm Tate scored a pair each for the winners while Terry Moore, Lyle Bennett, Art Thom and Fred Calkins added the others.

Kinsmen goalie Steve Zdrill played a strong game in goal for St. Albert.

Following the game players and families from both clubs had a get-together in Ed Rusnak's rumpus room and a good time was had by all.

Report Released On Peace Colleges

The interim report of the study by L. W. Downey Research Associates Ltd., on a system of post-secondary education for Northwestern Alberta and Northeastern British Columbia was released today by Advanced Education Minister Jim Foster. Highlighting the report is the recommendation that the two provinces eventually establish a system of "Federated Colleges of the Peace" for the service areas of Dawson Creek, Fort St. John, Fort Nelson, Grande Prairie, Fairview and Slave Lake.

A number of problems and questions are identified by the report. Should a high-cost low-enrolment centre have some programs transferred to other high enrolment centres? Should the college be closed down and transferred to some other use? Is it good to have the existing seven centres all competing for the same new programs and sharing the enrolment for those new programs which are approved?

The report reveals that only half of those new jobs requiring vocational training are filled by local residents. The other half are filled by persons migrating into the area, partly because local residents do not take the training to qualify for such jobs. The report also reveals that only about 900 of an estimated labour force of 40,000 take courses to upgrade their skills.

The report notes that "collectively, the institutions involved in this region do offer (or could offer) a very comprehensive service -- including most types of programs, adequate lab, shop, and field facilities, and significant numbers of residence spaces."

A final question addressed by the report asks if the institution in the area should be responsive to the service region through a representative Board, or whether the institutions should be assigned their roles by a higher authority.

Comet Kohoutek visits our skies

One of the most spectacular comets of the century, Comet Kohoutek, is now visible as it journeys close to our sun and back into deep space.

The comet bears the name of its discoverer, Czech astronomer Lubos Kohoutek (pronounced Koh-hoo-tek), who was photographing asteroids at the Hamburg Observatory in Bergedorf, West Germany, when he noticed a faint spot where no object has appeared before. By mid-March 1973, Kohoutek had determined that the object was a comet, then in the constellation of Hydra and nearly 500 million miles from the sun, but travelling on an orbit which would bring it close to the sun and easily studied from Earth. The global scientific community made extensive preparations to track and photograph Comet Kohoutek between November and February.

WILL IT HIT THE EARTH?

No, there is no possibility of a collission with Earth. Its closest position to Earth during its orbit will be 75 million miles away in mid-January. The comet will be much closer to the sun than to Earth. A comet has been called "the nearest thing to nothing that can be and still be something." In May of 1910, the Earth passed through the tail of Halley's Comet -- nothing happened.

WHAT IS A COMET MADE OF?

Simply put, fine dust, gases and particles of frozen water. The 'coma' or head of the comet consists of dust and gases forming a bright spherical halo. The 'nucleus' or heart of the comet is called the 'dirty snowball;' from a mile to 15 miles across it is a mixture of particles of frozen water, methane, ammonia and dust, the only part of the comet which travels the whole orbit back to deep space. The 'dust tail' is a curving yellow trail of dust particles freed as the gases in the nucleus vaporize, so tiny that the reflected sunlight presses them away from the sun. The 'ion tail' is a plasma or ionized gas, which glows by fluorescence caused by the solar wind, also pointing directly away from the sun. As Comet Kohoutek passes close to the sun at the beginning of 1974, the tail is expected to become better developed.

WHEN CAN IT BE SEEN?

Perhaps soon at dawn; later on, at dusk. Until Dec. 15, it MAY be visible in the Southeastern sky 1-1/2 to 2-1/2 hours before sunrise. At this time, the Comet is not bright enough to see after dawn lights the eastern sky. Look near the horizon; don't expect it to be moving. In the last half of December, look for it an hour before sunrise. Kohoutek's orbit takes it behind the sun (perihelion Dec. 28) so that for a few days it will not be visible at all. Just before New Year's and until about January 5, it will be at its brightest, visible in the Southwestern sky at sunset and for a couple of hours afterwards. Each night it will appear higher in the sky until late January, when it will begin to appear lower in the southwestern sky until it disappears in February. As time passes and it moves away, it won't be as bright.

HOW CAN IT BE PHOTOGRAPHED?

Even during its brightest period this Comet is so close to the sun that people should not attempt to observe it or photograph it during the day - the eyes can be permanently damaged. The only way to view or photograph it when the rising or setting sun is visible is through a neutral density filter. Make one by exposing and developing a roll of Verichrome film, cutting it into strips you can put together to use as a multi-layered filter. Do not rely on sunglasses, smoked glass, or binoculars.

In the pre-dawn or the evening period of viewing, you will need a tripod and cable release and very fast film (Tri-X, High Speed Ektachrome or Anscochrome 500). Don't use an exposure meter unless you are near city lights; if you're in a high city building like the AGT Tower, expose with the exposure meter. In the rural areas, pick a hill with a clear view, open the camera to the widest aperture and make a variety of exposures. Set the exposure to Bulb and try such a series as 8 seconds, 16 seconds, 32 seconds, 45 seconds, 60 seconds and 75 seconds. Longer exposures than two minutes will distort the comet head and create star streaks because of the earth's rotation. For those with a choice of lenses, a telephoto lens will give the largest image, try a series around f/3.5 for 45 seconds. If you haven't got a tripod, make a bean-bag or sandbag to set the camera on, so it's steady. If you plan to be outside in the cold for some time, acclimatize your camera in advance because of the possibility of the cold affecting it. If you want to attach your camera to a telescope, the telescope must be motorized to compensate for the motion of the earth and the comet. Evenings from New Year's to mid-January should be the best for photography.

The opportunity to perform in the Jubilee Auditorium in Edmonton was a particular thrill for the Pitch and Spice choirs and musicians of St. Albert. The well-travelled group of singers and instrumentalists have a background of successful productions, under the direction of their conductor and gifted director, Father Ubald Duchesneau, but the auditorium with its large stage and scope for lighting and other special effects, offered them a wonderful opportunity, and they proved themselves capable of the kind of polished performance required in their production of Spellbound on November 29, with a surprising measure of professionalism in a group so young. Kinsmen Mark Ten Years Of Service

Mayor Ray Gibbon had the honour of unveiling the handsome plaque, hung in the lobby of the St. Albert Arena last Saturday morning, and read out the inscription honouring the contribution of the Kinsmen Club of St. Albert to the Arena and the artificial ice plant which they provided.

St. Albert will be 113 years old this coming year and the St. Albert Kinsmen Club will be 10 years old. The club was chartered on May 4, 1964 with 33 members. Among the first projects was the Rodeo, which started in 1965 as a vehicle for the oldest and largest town in Alberta to celebrate its birthday and to provide a certain annual rainfall. (But next year will be hot and sunny).

Other projects included tot lots placed around the town, Saturday afternoon movies at Kinelnema and the Kinsmen Bus.

One of the main projects however remains the Kinsmen Minor Hockey program. The basic aim of the minor hockey program is to provide every boy in St. Albert who wishes to play hockey, the opportunity to do so, at a minimal cost.

In 1966 the Kinsmen became fully involved in minor hockey in St. Albert and saw a great need for an indoor arena. The Kinsmen were instrumental in getting the St. Albert Arena started with an initial contribution of $7,500 and a further $2,500 to get it going.

In 1970 Kinsmen donated the present artificial ice plant at a cost to the Kinsmen in excess of $42,000.00. The final payment having been made this year, a mortgage burning ceremony was held on Saturday in conjunction with the unveiling of a plaque at the Arena.

The St. Albert Kinsmen since 1966 have contributed in excess of $100,000.00 to minor hockey. This includes arena donation, artificial ice plant, Kinsmen Bus to transport teams, equipment, etc. It is impossible to even try to estimate the number of man-hours that the Kinsmen have contributed to minor hockey.

This year the program will cater to well over 1,000 boys from Shavers to Juveniles, and as well as the Kinsmen there are some 115 coaches and 125 referees, timekeepers, statisticians etc., who over the course of the 30 week season will put in countless hours of their time. This does not include the fathers, mothers who rise from nice warm beds at 5 a.m. to go out into the cold, cold, cold!

All this has provided to the people of St. Albert a hockey program at a very small cost (talk to some of our neighboring towns and cities and compare), also facilities for power skating, figure skating etc.!! Quite an achievement. But the Kinsmen could not have done anything without the generous support of the town and citizens of St. Albert, and they would like to say a big THANK YOU. Look out for more things to happen in St. Albert such as the Kin-RCMP Community Centre, as the Kinsmen continue to work in and with the community.

What these St. Albert Kinsmen are watching with happy smiles is the ceremonial burning of the mortgage they assumed to finance the artificial ice plant. The event took place Saturday morning at the arena. Colin Ford is seen at left with Bob Myrthue, Mayor Ray Gibbon, Terry Moore, President Barry Welsh, Fred Falk and MLA Ernie Jamison. Kneeling are Dave Stewart and Neil Stewart.

Skate-A-Thon Prizes awarded by Kinsmen

The Kinsmen Club of St. Albert are pleased to announce the individual prize winners for the most money turned in during the recent skate-a-thon. The winners chose skates and the runners-up were measured for special Kinsmen skate-a-thon jackets.

They are - Jason Suist runner-up most money turned in for boys, Cathy Detting most money turned in for girls; Patricia Twerdoff runner-up girls and Glenn Jones winner of the boys.

These young persons did a most noteworthy job of obtaining pledges and are to be thanked by the citizens of St. Albert for the contribution they have made towards raising funds for our community.

The group of individuals turning in most money was the Mite A team the Nuggets and they are attending the Oilers hockey game against the Quebec Nordigues on Friday, December 14 where they will be presented with autographed game sticks after the game.

The total skate-a-thon pledges collected to date amount to $5,000 and all skaters who have not yet turned in their pledges are requested to do so without further delay.

LET PRUDHAM'S TAKE THE LIFT OUT OF DRIFT!

Ariens SNO-THROS

Best on the Block!

Ariens Sno-Thros are the best — not just on your block but every block in town. Ariens Sno-Thros have kept sidewalks walkable and driveways driveable for many winters.

Christmas Spirit

Woodward Stores Ltd., has opened seven of its 15 British Columbia and Alberta department stores for a special shopping evening for the blind and people confined to wheelchairs. "Operation wheelchair," a first in Canadian retailing, was started in 1970 at Woodward's Victoria store. About 600 people now attend. Last year, the company's New Westminster store was included, and this year two more Vancouver stores plus outlets in Kamloops, Edmonton and Calgary joined in. The company provides transportation to the stores, all located in plazas where unloading of wheelchairs from vans is easier than it would be in traffic - congested downtown areas. The shoppers are taken around by volunteer store staff, if necessary, and free coffee and donuts are provided. There is also a roving choir. According to Harry Aiken, publicity and display manager for the B.C. stores, the cost per store for the one evening is $1,500. Sales per person generally are modest and Aiken stresses that the event "is mostly a service." "It gives these people an opportunity to get out and do their Christmas shopping."

First Unicefs Card Done On Glass

UNICEF's first card artist was a seven year old little girl who painted her picture on glass because there was no paper.

It was 1949 when Czech school children sent their thanks in the form of paintings to UNICEF for providing milk to replace losses caused by Nazi slaughter of village dairy cattle.

Mrs. Jitka Samkova Vejdova, now 33, lives in Ceske Budejovice, Czechoslovakia. Describing her cheerful painting of children dancing round a maypole, she said, "The picture expresses joy, by going round and round, and the wreath at the top of the maypole is to show that the line to help is endless."

The line of children which began in a Europe shattered by World War 11 now circles the world: Haiti and Jamaica and Latin America, Africa, India, Pakistan . . . there are 780 million children in the developing countries.

4 Fast Furnace Facts.

CONTINUOUS FURNACE FAN OPERATION MEANS NON-STOP COMFORT!

It's so easy to have an ideal climate in your house with a furnace fan that never shuts off.

- Even air temperature, with no lurking layers of cold air trapped near the floor.
- Constant fresh air circulation to keep your home fresh, pre-cool in summer.
- Constant filtering of the atmosphere with air circulating through the filter about 4 times every hour.
- Better humidity control with air circulation that never stops.

CHECK YOUR FURNACE NOW! Has it a switch to keep the fan on continuous operation? If not, you can have one easily and economically installed.

LOCAL COUPLE MARRIED

Colleen Kelly, daughter of Mr. and Mrs. Frank Kelly and Bill Gowans, son of Mr. and Mrs. J. Gowans exchanged marriage vows at the Lutheran Church on Saturday, December 1st. Pastor Olson officiated at the beautiful and moving ceremony.

The bride looked lovely in a self designed white dress and cape. She was attended by four bridesmaids Cindy Forcand, Cheryl Miller, Donna Harvie and Sonia Bunbury.

Bill was attended by Dino McLaughlan, Jim Gowans, Paul Gowans and John Wydareny.

A reception for the 250 guests was held at the Edmonton United Social Club. The newlyweds will be making their home in Edmonton.

Family Life group hears visitor

At the request of the Anglican Church Women, Mrs. Jean Smith, program specialist of the M.D. of Sturgeon was guest speaker at the United Church on Friday, December 7 to take part in the Family Life program.

The subject Mrs. Smith spoke on was Christmas decorations and her talk was accompanied by a demonstration.

While the children of the audience played happily, their mothers were able to try their hands at making more meaningful and original decorations. The basic material of the decorations was eggshells and most participants had taken a supply of blown eggs along with them. Colour pictures from magazines, braid, beads and glitter were adhered to the shells to create most imaginative designs.

Mrs. Smith is justly proud of the recreational program of the MD of Sturgeon. Classes in karate, ceramics, canoe building, leathercraft, copper enamelling and weaving are among the diverse activities covered by the program.

Blackie Quintal of the Calahoo Scorpions has some words of advice for Clay Crozier, of Calahoo's long-time rivals, the Namao team. The exchange took place at the Sturgeon Valley League's Face-off dance and while it was good advice, it may have been given too early in the evening to help Clay.

LEGAL

By Lucienne Montpetit

Get well wishes are extended to Mrs. Allan Keane who underwent surgery last week at the Misericordia Hospital, also to Rosaire Durand, Dolores Letourneau Mrs. Philippe Mercier and Paul Laforce who are hospitalized.

Mr. and Mrs. Norman Mercier from Grimshaw were visiting with their relatives last week.

A First Aid Course will start on January 16 at the Recreation Centre. Fees are $5 for the course and is offered through the Sturgeon Recreation Dept. The mothers local will not offer the weekend course as previously advertised.

LOCALS

Legal could always rely on the community spirit to do many things. The Recreation Board is very grateful to all the ladies who accepted to volunteer their time to operate the concession booth in the Arena for another season.

Mr. and Mrs. Raymond deChamplain returned Sunday evening from Las Vegas where Raymond played hockey over the weekend. Raymond plays with the Westlock team. Everyone had a jovial time.

Some 65 children have registered to take the figure skating lessons. We hope the mothers will co-operate and will attend when its their turn to supervise. Another meeting for the mothers will be held early in January.

A ham bingo will be held at the Community Hall on Sunday, December 16 at 8 p.m. Proceeds for the church

An old time dance will be held on Friday, December 21 at 8:30 p.m. featuring the Satellites from Clyde. Refreshments will be available Proceeds for the Club 60 Roses. Free lunch. Admission $1.50 a person.

Mrs. Arthur Leguerrier, matron of Chateau Sturgeon in Legal holds a hair dryer, presented along with a shampoo chair, by the Les Femmes Chretiennes for use by the senior citizens at the home. Social conveners making the presentation are Lucienne Montpetit, at right of Mrs. Leguerrier, Aline Rivard and Georgette Prefontaine. Marie Gregoire was unable to attend. Members sincerely hope that all the ladies at the Chateau will benefit from the gifts.

Meeting Shows Good Year For Morinville Seed Cleaning Ltd.

Reports to the annual meeting of Morinville Seed Cleaning Co-op Ltd., on Dec. 1st showed 1973 as one of the most efficient and profitable in the history of the organization.

518,205 bushels of seed grain were cleaned, which is the top figure for any plant in the province, and the Board of Directors authorized Patronage Dividend Payments of $8,000 with an effort being made to get them out by year end.

The manager and board gave credit to the installation a year ago of a Precision Grader, which allowed the plant to clean 90,000 bushels more, at a saving of about $2,200, even after allowing for a 10 - 15% increase in wages.

Chairman Allan McDonnell in his report said the financial situation is much improved. "Before January 1st," said Mr. McDonnell, the Board sees fit to pay out two years interest on Share Capital at four per cent, plus declare a patronage dividend to members using the plant. These measures were taken only after retaining some $6,500. from the year's earnings for future use.

In addition $30,000 was recently invested in securities bearing from eight and one quarter to nine per cent. It was Chairman McDonell's opinion that the reserve must grow a little faster than previously, to allow for inflation. He noted that fire insurance is carried for $150,000 on a replacing plant policy.

The chairman was also well satisfied with the work of the qualified auditor hired a year ago, and felt the members would see the advantage of this move, as they reviewed Mr. Clews' report, which was one of the best audits prepared for Seed Plants.

Dust control was discussed quite extensively and ways and means which might be used to improve the situation.

Mr. Sherman Yelland of the Dept. of Agriculture expressed his opinion that the standard in management and in the seed improvement program is high at the Morinville plant. He explained standards and classes of seeds, and said it is possible that all export seed will be pedigreed standard. He proposed that all seed sold should meet a No. 1 standard.

Reports were also heard from plant manager Bud McGillis, Jim Wolford, Regional Director, Wally Klatt, D. A. and Don England, Fieldman. Minutes of the previous annual meeting were read by secretary, Jim Sharp and adopted.

Under new business, a motion by Mr. McDonell that the matter of seed growers recognizing high yielding, high protein grain for feeders be brought up at the Central Board convention, and that more research be done in this field, was seconded by Bill Flynn and carried.

All members of the Board were present with the exception of Walter Jerram.

At the organizational meeting following the annual meeting, the following officers were elected: Allan McDonell, president; Fred Kaup vice-president; Jim Sharp, secretary; Wally Klatt, Donald Victoor, Joe Kluthe, Walter Jerram and Glen Berry, directors.

Rendezvous Club winds up year

By Dorothy Daignault

The Senior Citizens all enjoyed a gay Christmas party at the Rendezvous Clubhouse on Friday, December 7. With an attendance of 50 persons the evening began with Mr. Girard Rousseau leading the singing of O'Canada. Then the group enjoyed a selection of games Mrs. Laura Kieser organized and directed them and we all had fun laughing at our gaucheries. Funniest of all was to see Romuald Detannacour trying to pass through an elastic band that got twisted on his feet. We were then served wine and cheese, and settled down to a quiet little chat with our neighbors.

Whist followed, and the winners were: Ladies' First Prize - Mrs. Lebea Craig; Men's First Prize - Mr. Hector Gibeau; Ladies' Second Prize - Mrs. Louise Billo; Men's Second Prize - Mr. Lucien Beaupre; Ladies' Booby Prize - Mrs. Jeanne Beheils; Men's Booby Prize - Mr. Hector Boissonnault. The door prizes were won by Mrs. Elizabeth Kieser and Mrs. Arcade Ethier.

Our very sincere thanks go out to Mrs. Rose Martel, Mr. and Mrs. Harold Rockwell, and the Rendezvous Club who donated the prizes

Mr. and Mrs. Ephrem Beaupre presented the Senior Citizens with a lovely electric clock for our clubhouse, many thanks to you Mr. and Mrs. Beaupre!

After cards and presentations we all sat down to a delicious lunch. Thanks are extended to Mrs. Kenny Detannacour, her helpers, and to all who helped make this such a pleasant evening.

Among our visitors and new members were: Mrs. Violet Trider, Mrs. Jeanne Beheils, Miss Violet Weiss, Mrs. Baer, and Mrs. Laurent Leduc.

Dorothy Daignault spoke to the group about the Regional Recreation Festival which is now being planned and organized. The whole group showed a great interest in this event and we will be watching the Gazette for further data.

The Clubhouse will be open one night a week in order for us to practice up for competition with our good neighbors of Sturgeon.

MR. & MRS. DOUGLAS GOEBEL

On October 6th Rochelle Anita Tessier, daughter of Mr. and Mrs. Laurent Tessier of Morinville became the bride of Douglas Albert Goebel, son of Mr. and Mrs. Emil Goebel of Stony Plain.

Reverend Ney, Pastor of St. Matthews Lutheran Church in Stony Plain performed the double ring ceremony, with Janice Goebel as organist Michael Gervais as soloist.

Bridal attendants were Suzanne Tessier, Donna Tessier, and Patricia Drapeau. Attending the groom were Gordon Goebel, Marcel Tessier, and Walter Gehring.

A reception and dance followed at the Willington Community League Hall in Edmonton.

After a honeymoon trip in Las Vegas and California the couple have taken up residence in Killam.

Anniversary

The family of Joe and Vera Hostyn will be happy to see all their friends and relatives at their Dad and Mom's Golden Wedding celebration on December 16 - 2 - 5 p.m. at Gibbons Community Hall. No Gifts Please.

MORINVILLE MEMOS

By Flo McGinnis

Well it's that time of year again and we see the Christmas decorations going up all over town. The Morinville Board of Trade is sponsoring their Annual Hose Decorating Contest again this year. There will be a panel of judges going around to each house (including the Trailer Court) just before Christmas to judge the individual displays. There are three prizes - First, Second and Third. Prizes will be $25., $15., and $10. respectively. So for those men who thought they were going to get out of putting up the Christmas lights this year (due to the Energy Crisis) you had better get up there and get going!

Must make a special note here about our local snow removal! It seems as though it has snowed practically three out of every five days so far this winter, and even though that isn't exactly true, we do have more snow than this time last year. But a big congratulations should go out to our Town Snow Removal Crews as our streets are in terrific condition. And that sanding! What a relief to not have to be sure that the only way you can stop is to run up against the stop sign! This year we have had people come from the city and elsewhere and exclaim "what a relief to be able to drive on streets like these." Good work men.

We see that renovations at the Library are complete now, and it looks pretty sharp too. Miss Leduc, the Librarian advises us that the Library will be closed Dec. 24, 25, 26 and 31.

Mr. Herman Weidle is the new Grade V teacher in Morinville. Mr. Weidle also instructs the physical education classes for the elementary students in Notre Dame. We all welcome Mr. and Mrs. Weidle and their daughter Corinna who have recently moved into their new home in the Forest Glenn subdivision.

There are an awful lot of new folks in town now and we certainly would like to be able to welcome each family individually. Unfortunately it is difficult to find out names and details unless I know that someone has moved to a certain house. Could you please help me out by giving me a call if you know of someone new in town? Call me at 256-3248 between 9 a.m. and 5 p.m. weekdays. Deadline for Gazette copy is Fridays at noon.

We see that the local drive-in restaurant has closed for the season. The sign says "see you in the spring," so we know there IS going to be a spring.

Speaking of snow again -- the monsters are out in full force again this year, complete with monsters astride them! Each year we see snowmobiles becoming more and more of a menace. We do have a bylaw in Morinville that prohibits the use of snowmobiles on the main thoroughfares (streets) However it does allow the machines to be taken to the outskirts of town by way of the back lanes, as long as they are driven no more than five miles per hour! The bylaw also prohibits the use of snowmobiles anywhere within the town limits after 10 p.m. on any night. It seems that this is not enough for some of the drivers as the town office, the councillors, and even the local Gazette office receive numerous complaints practically every day about damage to grounds, drivers going through yards, excessive speed, etc. etc. The local RCMP say they have had fairly good results so far by speaking to the offending drivers, and are doing all they can to keep the situation under control. However if violations are not reported there is nothing they can do! In many cases the excuse seems to be - "I didn't realize," "I made a mistake," "I saw that someone else had gone through there," etc.

Perhaps it's true! Perhaps our snowmobile operators are not given the proper information when they obtain their licence and insurance. Perhaps the town hasn't publicized the regulations sufficiently. Perhaps the residents themselves are at fault for not cracking down on the offending drivers 'at the right time'. If everyone does his part - PERHAPS we will see some results!

For snowmobile owners and drivers - Please Check The Rules and Regulations Before You Head Out!!

Lion Doug Ramer reminds everyone that the deadline for having copy in for the January Lions Club Events Calendar is Dec. 21. Please phone Doug at 256-3565.

Don't forget the U.C.C. Children's Christmas Party on Sunday, December 16 at the Recreation Centre. For details call Maury Legge at 256-3269.

The Community greeting card is now being organized by the Morinville Drum and Bugle Band. If you have not been contacted you may call any of the Band members, or call Father Primeau.

The Royal Bank announced a new service for their farm customers this past week. It is called FARMCHEK and is an accurate, easy-to-use Farm Business Record System.

FARMCHEK provides you with specially designed cheques and deposit slips to keep track of expenses and receipts, and provides a statement on a monthly basis, as well as year-to-date totals. This way you can do your books at the same time as you do your banking.

You are invited to stop in and discuss the details with Cam Gregoire or Don Derby at the Morinville branch of the Royal Bank of Canada.

-ADVERTISEMENT-

Morinville Library News

By J. R. Clark

The renovations to the library building are nearly completed. There is still some painting to be done, but this should not inconvenience our patrons. We regret we were not able to put on any displays for "Young Canada Book Week" because of the turmoil, but now, for the young and for the older also we have some lovely new Christmas books. Christmas stories, Christmas gift ideas, Christmas entertaining, and Christmas customs. The whole works.

For holiday reading for the adults we have a good choice of new fiction. Mary Stewart's latest "The Hollow Hills" and Norah Loft's "Scent of Cloves." One new paperback needs special mention "Watership Down" by Robert Adams. Supposed to be for children, but any adult starting it will be lost to the world for hours. Said to be a new "Wind in the Willows." Two new French fiction books just arrived directly from Paris, France "Le Gout du Sel" by Etienne Lalou and "Pierrot et Aline" by Jean Fernlot. We are trying hard to update our French section and may early next year receive a gift from the Canada Council of many books by Canadian authors in the french language.

Please note that the Library will be closed on Dec. 24, 25, 26 and 31st.

REPORT FROM GIBBONS

By Ron Coley

Mr. and Mrs. Joe Hosyton will be celebrating their Golden Wedding Anniversary on Dec. 16. A reception will be held in their honor from 2 - 5 p.m. in the Gibbons Community Hall. Everyone is welcome.

The Gibbons Rangers would like to thank all the ladies who donated to and attended their Harvest Tea on Nov. 17. Your support is greatly appreciated.

The Gibbons Legion held their annual Turkey Bingo on Wednesday, Dec. 5. A very good crowd was in attendance. Winners of the turkeys are as follows: Airen Guenther, Aberden, Sask., won two turkeys; Mrs. L. Grant, Gibbons; Mrs. Tina St. Nicolaas, Gibbons; Mr. Bob McEwen, R.R. 6 Edmonton; Mrs. Gail Moell, Gibbons; Mrs. Thimar, R.R. 6 Edmonton; Mrs. O. Peterson, Gibbons; Mrs. Duak, Gibbons; Mrs. Eula Mabbutt, Gibbons; Mrs. M. Serink, Gibbons; William Zukowski, Gibbons; Elsie Hunt, Gibbons; Mrs. Roberta Henry, R.R. 3 Fort Sask., Mrs. Anna McLean, Gibbons; Miss Susan Henry, R.R. 3 Fort Sask., Kevin McWhuter, Gibbons; Mrs. Phyllis Serotski, Egremont; Mrs Hartwick, Gibbons and Mike Zuk, Gibbons, all won one turkey. Winner of the door prize, a 16 lb. turkey, was Mr. Lloyd McDonald, from Bon Accord. The Gibbons Legion would like to thank all those who attended.

Work is near completion on the renovation of the furnace rooms in the community hall. The furnace rooms were fire proofed with steel doors and 5/8 in. gyprock on the walls. This had to be done because of the playschool being held in the community hall. Most work was done by volunteer help.

The village has moved all village equipment into the new garage.

All you residents of Gibbons do not forget the election for one Councillor on Friday, Dec. 14, in the Village Council Chambers. Please get out and vote.

Donation for the arena fund has been extended to Dec. 31. If your donation is not already in, you may drop it off at the Royal Bankmobile, in Gibbons.

The caretaker for the skating rink is Glenn Mabbutt. Any problem phone - 799-3896.

Congratulations to Bob and Isabel Wingfield, proud parents of a baby boy, weighing 8 lbs. 12 oz.

Anyone wishing to have their name on the Community Christmas Card at the Post Office may leave their donation with Mrs. McLean, in the Post Office. Proceeds going towards the Arena.

With the Sturgeon Regional Recreation Festival slated for the spring season, possibly May, volunteers are required for the following categories: publicity and public relations, games committee, athletics committee, dance committees, arts and crafts committee, music committee and drama committee. Anyone interested in volunteering their services for any of the above may phone Katie Mabbutt at 799-3896 or M.D. office at 424-6276.

All ladies any age wishing to play hockey, this winter, please phone Katie Mabbutt at 799-3896.

Applicants are needed for the vacancies on the Gibbons Recreation Board. Please mail to Box 164, Gibbons.

A big thank you to the children of the Canadian oil workers, in Valmy, Algeria, from the Gibbons Branch of the Royal Canadian Legion, #226. The children made and sold poppies on poppyday in November. They collected $10., which they had Mrs. Ron Ross, daughter of Mr. and Mrs. Stan Mabbutt of Gibbons, forward to the Gibbons Legion Branch #226. The fathers of these children work for Westburne Drilling Co. There is a total of 20 families living in Valmy, Algeria.

Gibbons Lions Club CNIB canvass is nearly complete, with just a few calls to go. Contributors are asked to get a receipt from their canvasser.

The Lions sent 40 kids to the Oil Kings hockey game November 30, which was enjoyed by all.

A Ladies night and Guest night will be held by the Lions January 14. Lions are asked to mark the date on the calendar, and to advise their wives and invite interested guests. It should be a very fine evening for all.

Large crowd attends tree sale at Namao

By Norma Crozier

The St. Bernard Dog Club of Alberta held their annual sale of Christmas trees at the Namao acreage of Mr. and Mrs. Art Jepsen on Saturday and Sunday in aid of Muscular Dystrophy.

Twenty big St. Bernards gave sleigh rides to children and some adults, and delivered the Christmas trees to cars after they wer purchased. Santa Claus attended to present candy canes to the youngsters. Members of the Club served hot dogs, hamburgers, hot chocolate and coffee which everyone enjoyed around the huge bonfire.

A pen full of puppies was on display and the fire engine from the Namao Air Base.

The weatherman co-operated with two beautiful days helping to make the project very successful with a cheque of $650 going to the Muscular Dystrophy Association.

Two raffles were held, a 50 dollar food hamper and a doggie radio. The hamper was won by Mrs. A. E. Adams, Fenwick Crescent, St. Albert and the radio by Mrs. Speck, 11530 - 81 Street, Edmonton.

The club wishes to thank everyone in the Sturgeon area who came out and gave their support to this worthwhile project.

The youngsters had a wonderful time at the St. Bernard Dog Club sale of Christmas trees last weekend in Namao, taking turns at having a sleigh ride, courtesy of the big furry St. Bernards. The dogs also helped deliver trees to vehicles and proceeds of the sale went to the Muscular Dystrophy Association.

Vimy 4H Needles

By Rosanne Dubois

4H Vimy Needles Sewing Club held a business meeting Nov. 2 when Chairman Beverly Brown opened the meeting with O'Canada, and Shirley Bernard and Carmen L'Heureux led 32 members in the 4H pledge.

Roll call was answered 'My Favorite Sport.' Secretary Karen Wilson read the minutes and Lorie Potry gave the treasurer's report.

Mrs. Brown gave each family a Singer courtesy card, and mentioned that everyone was to hand in the tickets for the Christmas raffle.

Lucille Ringuette handed out animal cutouts for each member to stuff and finish and hand in at the next meeting Dec. 12. They are to be given to the unfortunate children in the hospital at Christmas time.

Marie Louise Sjorstrom gave a demonstration on how to clean, oil and work a sewing machine.

It was decided to have a Christmas party at the Vimy School, Dec. 14 at 7:30. All are welcome. The Vimy students union had asked the club to donate something for their bingo. The club donated a big stuffed dog made by Mrs. Brown.

The meeting was then adjourned by Carol Sjolstorm.

The Sturgeon School Division #24 requires a full time Custodian for the Gibbons School, Gibbons, Alta., located 20 miles north of Edmonton at Junction of Highway 37 and 28.

Applicants please give past experience, age, two references. Successful applicant would be expected to reside in Gibbons and commence duties on/or before January 1, 1974.

Starting salary $6,600 per annum. Closing date for applications - December 15, 1973.

For further information phone 1-256-3495 days, or write: Mr. E. E. Smith, Supervisor of Maintenance and Caretaking, Sturgeon School Division #24, Morinville.

Pythian Sisters Gleanings

1973 District Deputy Grand Chief Sharon Dunsworth called a Dis't 2 Convention in the I.O.O.F. Hall on Oct. 9, 1973. Members from the Gibbons Pythian Sisters attended: Grace McLean, Lola Spence, Muriel McCue, Hazel McLean, Elenore Montpellier, Clara Williams, Ena Brydon, Jessie Miller, Connie Roberts, Molly Hall and Arthur McCue. The meeting was well conducted by Sister Dunsworth, and well attended. Many items of business was brought up and voted upon. The Law committee appointed were Sisters Muriel McCue P.S.R., Gertrude Johnson Grand Secretary and Hazel McLean P.G.C. who were kept busy answering questions that had been placed in the question box. During the meeting an electric clock was presented to our 1973 M.E.C. Grace McLean for Jubilee Temple No. 16 with their best wishes, which will be in use at the Gibbons Community Hall, where our meetings have been held for 34 years. After this full meeting a hearty luncheon was served to all with a social hour following. D.D.G.C. Sharon Dunsworth had prepared many outstanding mementoes for her well supervised convention, with attractive registration cards and nicely prepared printed programs, souvenirs etc.

In the past year our senior citizens were not forgotten, as converted donations to cash which was sent to the Winnifred Stewart Retarded Children's Home in honor of our senior citizens here. To those who have been ill and hospitalized and those who have been bereaved, we hope the coming year brings health as well as more cheerful days. To those who have helped us in anyway throughout the year, we wish to extend a big Thank You and hope to serve you again. If there are any ex-Pythian Sisters in the vicinity or anyone wishing to join our organization please contact Clara Williams by note or phone or Hazel McLean at the Post Office, and we'll call on you.

So to everyone we wish you a very Merry Merry Christmas and a Glorious New Year with all your wishes granted.

Sturgeon Rec offers adult swim course

The Sturgeon Regional Recreation Department will be offering an adult swimming program, which will be held at Victoria Composite Swimming Pool, in Edmonton. The first lesson will be at 8:45 p.m. on Wednesday, January 9, 1974. The full course will consist of 10 lessons every Wednesday night until March 13, 1974.

This program is open to anyone 16 years of age or older who wish to take their Bronze Medallion. We have room to accommodate 30 beginners, and 16 Bronze Medallion. People taking part in this program will travel by bus and pick up points will be at Riviere Qui Barre School, Morinville Recreation Centre, and at Namao School. The bus will leave Riviere Qui Barre at 8 p.m., pick up in Morinville at 8:10 p.m., and pick up in Namao at approximately 8:25 p.m.

Fee for the transportation and lessons will be $10 and only advanced registrations will be accepted. People taking the Bronze Medallion Course will have to pay an additional $5 for the Royal Life Saving Manual and a $2 examination fee. People often say that they would like to learn how to swim, and this is certainly your opportunity to do so. Please register now, with the Sturgeon Regional Recreation Department, in Morinville. Phone 424-6276 or 256-3322. All registrations, and $10 registration fee must be received before December 31, 1973, if you wish to take this course.

St. Martins mark anniversary

Mr. and Mrs. Leon St. Martin of Legal were honored with a surprise party given by their family on the occasion of their 40th wedding anniversary. Sherry, their youngest daughter, presented them with corsages of roses, fastened with family rings and family photos were taken.

Then it was off to Tiki Tiki for a lovely dinner and the remainder of the evening was spent at home.

The couple's daughter Lorraine and husband, Marcel Kremer were also celebrating an anniversary, their 12th.

The community offers congratulations to Mr. and Mrs. St. Martin, who have left to spend the winter months in California.

Morinville Senior Hockey Action

By Simone Chevalier

Morinville Seniors played five exhibition games, winning three, tying one, and losing one. Nov. 11 they travelled to Enoch to play the Winterburn Hunters, winning by an easy 8-3. Nov. 23 they took on the Alexander Braves and tied with 6-6.

Nov. 30 Morinville and Namao battled in an exciting game that ended with Morinville on top 4-2. Marcel Tourangeau scored twice while Norm Baki and Don Pruss got singles. Bill Ackerman and B. Clark scored for Namao.

On December 2, the Seniors challenged the St. Albert Bruins. The Seniors really skated with the Bruins (who had at least 10 games under their belts) but lost 6-2. Rick Pugliese and Marcel Desranleau put the puck in the net for Morinville.

When Morinville hosted the Calahoo Scorpions on December 4 it was an exciting game to say the least. The first period ended with Morinville on top 3-2. Early in the second period Calahoo tied the game, and then two minutes later the Seniors took the lead again, with three quick goals, ending the period with Morinville on top 6-5. Each team had scored three goals. Morinville Seniors took over the third period, scoring three goals, and closing the game out at 9-6 for Morinville.

Point getters in this high scoring game were: Guy Chalifoux with a hat trick; Richard Wright with two goals and two assists; Marcel Desranleau with one goal and three assists; Rick Pugliese - two goals, Rod Arthur one goal and Norm Baki, O'Neil Chevalier, George St. Laurent, Dave Quintal each getting one assist.

On Sunday, Dec. 9 Father Primeau dropped the puck to mark the opening of the play in the Sturgeon Valley Hockey League. The action saw Morinville at home against Namao with Namao coming out on top at the end of the first period by 2-0. In the second period Namao put five more goals in the net but lost one player with a game misconduct. Morinville entered the dressing room at the end of the second - down seven goals, but someone sparked them with life as you'll see!

Early in the third period Don Pruss slid one past the Namao goalie with Mike Beshara putting in a second and a third! Nearing the end of the third period Morinville also lost a player by a game misconduct.

The Seniors had indeed been sparked to life but the clock beat them. The game ended with the score 7-3 for Namao.

Friday, December 14 sees the next home game for the Seniors when they meet Calahoo at 10 p.m., at the Morinville Arena. Check your schedule!

CARD OF THANKS

We wish to express our sincere thanks and appreciation to the many relatives and friends who sent cards and flowers in our recent bereavement. A special thanks to the Mearns CWL who served lunch and to all the neighbors who helped in any way.

WEEKEND ENTERTAINMENT

AT THE ALL NEW

FRONTIERSMAN HOTEL in MORINVILLE

ENTERTAINMENT FOR DECEMBER 14 AND 15:
"THE PAC"

Report From Bon Accord

By Sadie Allen

Hockey got underway last week with peewees, midgets and the Bon Accord Wildcats senior men bowing out to Legal and the bantams downing Gibbons 8-0, a shutout for goalie Warren Everitt and losing to Redwater on December 9 by a score of 6-5. There are 150 registrations recorded in the various skating classes being conducted by Marg Sullivan.

The monthly meeting of the R.C.W. was held at the home of Margaret Bland with 10 members and one visitor present. A large agenda was covered and plans were completed for the chili supper to be held on Friday, Dec. 14 beginning at 6 p.m. in the Gibbons Hall. In conjunction with the supper there will be a bazaar featuring home baking, crafts and a children's corner for Christmas shopping. The supper menu will consist of chili, ham, baked potatoes, salad, rolls, pickles and squares. Price is $1.50 for adults, $1 for 12 to 7, and six and under free. With a family rate of $5., regardless of size. Everyone is welcome to attend. Tickets on the grocery hamper (complete, including refreshments) are still available. Contact Rose Ruth. A home baked Christmas cake and a scatter rug are being offered as second and third prizes. Donations for the hamper will be accepted by Yvonne Pasemko until the draw is made on Dec. 14. The regular meeting date for the club has been changed to the first Monday evening of the month, with January's slated for Marilyn Carleton's on Jan. 2, 1974.

The deepest sympathy of all the district is extended to the Elmer Brennan family in the tragic loss of Gordie on December 7.

United Church Women met at the church on Dec. 5. Election of officers was held. Hazel Hancock was re-elected president with Linda Engman and Mrs. Hannah Chubb chosen as first and second vice-presidents. Positions of secretary and treasurer were again filled by Ella McCullough and Karen Luchka. Bazaar committee is Mrs. Arksey, Mrs. Ethel Neilson and Mrs. Linda Engman. Phoning committee is Mrs. Chubb and Mrs. Grant, Sr. in charge of card sales is Mrs. Ethel Neilson.

A Christmas choir for the Roman Catholic Church is being organized with Carol Rivet in charge. Anyone interested in joining may phone Carol at 998-2310.

Schedules for each member of the various hockey teams are available from the boys' coaches. If anyone has not received a schedule, he may copy the game dates from those on display in the rink shack. Parents are responsible for either taking their hockey players to the games or arranging transportation for them, especially for the younger children. Remember - coaches have volunteered their services. The least we can do as parents is be co-operative.

A sincere thank you is extended to the organizers of the hockey face-off dance held at Morinville on Dec. 7 from members of the Bon Accord Wildcats, their wives and supporters.

The Patricia Choir will present a Christmas Cantata "The Night of the Stars" in the Bon Accord United Church on Sunday, Dec. 16 at 7:30 p.m. Everyone is welcome. Lunch will be served.

A White Gift service and social evening here held in the United Church on Friday, Dec. 7. A play "The True Story of the White Gift Service" was presented by Mickey McKenzie, Jill Nicholson, Karen Bjerke, Kim Pearce, Valerie Millwood, and Crystal Moore. Musical selections were presented by Mrs. Bitner, accompanied by Mr. Bitner, Alan, Terry and Lorraine Campbell accompanied on the guitar by Mrs. Campbell, and the church choir. Mrs. Pat Reynolds led the sing-song.

The senior girls hockey team will hold regular practices on Mondays from 6 to 7, and Saturdays from 4 to 6.

The Rev. Roy Chubb officiated at the baptism of Wendy, daughter of the Rev. and Mrs. Black in the Bon Accord United Church on Sunday, December 9.

Lucky winner of the $85 jackpot was Chester McBride. The jackpot for Dec. 16 will be $50 with 50 numbers to be called.

A service featuring specially prepared Christmas music will be presented by the Bon Accord United Church choir on Sunday, Dec. 23 at 9 a.m.

Christmas concert on Monday, Dec. 17 at 7:30 p.m. in the school gym. Everyone is invited with a special invitation to parents. There will be a silver collection and cleared parking on the school grounds.

Fans gather around to cheer their team to victory in the boat race at the Sturgeon Valley League face-off dance, held Friday evening in Morinville Recreation Centre. The Namao team won the A trophy in the event. 'Big Ern' at lower right, was being politically careful to give equal support to each of the eight competing teams: Legal, Morinville, Calahoo, Namao, Gibbons, Bon Accord, Villeneuve and Alexander. The affair was a great success and is sure to become an annual event.

Sturgeon 4H council

By Sharon Kish

On November 27, 1973, the Sturgeon County 4H Council held its reorganizational meeting at the Municipal Office in Morinville, Alberta. Officers for the coming year are as follows president-Mr. Gordon Fuhr; vice president - Mr. E. Briggs; secretary - Miss Marsha Rigney; treasurer - Ms. Lydia Uchaz; Club reporter - Miss Sharon Kish; Ladies committee chairman Miss Sharon Davis; Beef committee chairman - Mr. Doug Bowman.

The Council is planning a very active program for 4H Clubs this year. Some exciting highlights include: An exchange trip to Southern Alberta - the date being tentatively set for the beginning of August, a day of fun in the form of curling - March 10, 1974 and bowling March 17, 1974. The evening ended on an enjoyable note with Mr. Doug Bienert, from the Department of Culture, Youth and Recreation, showing some interesting slides of camps and other 4H events which took place during 1973

St. Martin - Corbierre Wedding

Miss Elaine Louise Marie Corbiere was united in the holy sacrament of matrimony to Albert Jean St. Martin in the Annunciation Church in Edmonton on November 17.

Father Burns and Father Mercure performed the ceremony for the daughter of Mr. and Mrs. Lucien Corbiere from Edmonton and the son of Mr. and Mrs. Dan St. Martin from Legal. The church was beautifully decorated with bouquets of white chrysanthemums tipped in pink with Chinese burgandy mums, pews were also decorated for the bridal group.

The wedding music was played by Mrs. Norma London and Elaine Bilodeau. Soloist was Mrs. Norma London.

The bride, given away in marriage by her father was elegant in her white terelyne gown featuring a high neckline with V-neck lace insert. A folded pleat in front fell gently from her natural waistline. The bodice and A-line skirt had appliqued lace. Her long veil was also edged with chantilly lace. Her bridal crown was of lace with rhinestones.

She carried a crescent cascade of natural red roses and white carnations tipped pink along with ivy streamers.

Maid of honor Valerie Wutzke and bridesmaids Marie and Juliette St. Marie chose identical burgandy velvet gowns trimmed with pearls and silver braid.

The girls jewellery were silver charm bracelets (gift from the bride) and pearl earrings. They wore pretty knitted hats. They carried clutch bouquets of white mums tipped pink with white streamers.

Petite Pauline St. Martin was flowergirl wearing a burgandy velvet jumper enhanced by a white blouse. She wore a white frill type headpiece. She carried a basket of white and pink tipped mums.

Best men were Gerald St. Martin and Roger and Denis Corbiere and ringbearer was Normand St. Martin.

The groom was handsome in his black cut velvet jacket and the best men wore burgundy velvet jackets (same shade and material as the bridesmaids) and black pants. The ringbearer wore a white suit trimmed with black.

Ushering the guests were Roger St. Martin and Claude Maurier, uncle of the bride and groom.

The candlelight reception and dance for some 400 guests was held at the Legal Community Hall. Marcel Brisson was master of ceremonies and Rene Maurier (uncle of the bride) presented the toast to the bride.

To receive her guests Mrs Corbiere wore an ice pink knit gown centered with a boralis broach at the waistline and complimented by a corsage of natural tipped ice pink white carnations centred by two red roses and silver accessories.

Mrs. St. Martin was charming in her beige, brown and gold knitted dress with natural pink tipped white carnations centred with two red roses with gold accessories.

Albert and Elaine are making their home in Edmonton.

Serving Suggestions

It's almost Christmas and what's Christmas without the traditional turkey ... surrounded by all the trimmings. Safeway has the right turkey for you or your family.
Try the delectable Safeway Self Basting Turkey — it's a real treat both to cook and to eat! No need to baste it ... it tastes itself with pure corn oil. And the result? The meat is mouth-wateringly moist and tender. Lilydale, Butterball and Manor House are three other names you can trust for quality. Whatever the need, Safeway has the right size of turkey to accommodate you. Shop now, too, for sausage meat for turkey dressing. You'll find it's RIGHT at SAFEWAY

Side Bacon Gainers Superior. By the Piece ... lb. — $1.09

Sliced Side Bacon Woodacres Cry O Vac ... lb. — $1.39

Ocean Snacks Bluewater Frozen. With Shrimp or With Lobster ... 7 oz. pkg. — 73¢

Party Starters Rupert Brand Perch and Onion ... 8 oz. pkg. — 39¢

Prices effective in Edmonton, St. Albert, Ft. Saskatchewan and Sherwood Park until closing Saturday, December 15, 1973. We reserve the right to limit quantities.

Geese Canada Grade A. Treat the family ... lb — $1.09

Spareribs Regular Side. Young Alberta Pork ... lb. — 95¢

Salvation Army Provides Christmas Cheer To Many

The Christmas program of the Salvation Army includes many services.

The ladies at Sunset Lodge, who will have their own Christmas party on December 19, Turkey and all the trimmings -- and even that jolly old fellow who makes Christmas happy for so many people -- Santa -- will make a visit.

The Men's Hostel has provided a home for thousands of homeless men during its long history in Edmonton. Visiting groups will provide the Message of Christmas in music and song throughout the month of December and on December 13, over 200 homeless men will be given a Christmas dinner at the Troc '59. Christmas Day, the officers will present each of the residents of the Centre with a gift and at noon, will share the Christmas dinner.

The elderly gentlemen who live at the Bonnie Doon Senior Citizens Home especially look forward to seeing the boys and girls who call each Christmas time.

The Salvation Army's Parkallen Ladies group will provide a program Tuesday, December 11 and Songsters of the Salvation Army Temple Corps will present a program on December 12 at 7:30 p.m.

The Family Service Department of the Salvation Army last year provided hampers to over 1,100 families, including 1,924 children. Brigadier Frayn reports that indications this year are that more families will have to be added to the Army's Christmas list.

The League of Mercy Ladies have packed over 3,000 Sunshine Bags (fruit and candies) to be delivered over the Christmas Season by Army workers to the homes, hospitals and institutions.

Treats and special carol services will highlight the Christmas activities. The workers who try to help prisoners and their families feel the true spirit of Christmas.
